General Meeting Minutes
PPL, Founder's Suite
April 17, 2010

The meeting was called to order at 2:30 p.m., Art Gorski presiding.

We had thirty-three members and one guest. Art welcomed Nancy Shobe as our guest. Nancy heard about us through the Library.

The new members to the club since last meeting were: Bob Fitzgerald, Eileen Sherrill and Jim Kuzia, Joe and Catharine Gravel and Judith Witt.

Art told the members that in the last Board meeting, we discussed having a club swap meet. Only members would be able to sell items, but it would be open to the public. Art took a tally on how many would be interested. We had more than fifteen people interested.

Art announced that the club is having our annual picnic September 18. We are having it at Art's community club house. The club will furnish the main items. We just ask the members to bring a favorite side dish to share.

Ginger will chair the picnic committee. We had June Schmidt, Arlene and Carleton Douglas and Bobbie Pastor volunteer to help her.

Art reminded us that May is the month for nominations. June we elect. July the new Officers take office. The positions that are elected are, the President, Vice-president, Treasurer and Secretary. Currently, we have volunteers to be nominated for three of the offices, however, we welcome more nominations. The office of President is wide open. We have no one volunteering to be nominated for that position yet. Art described the duties of the President. Art asked that volunteers submit their nominations to Bobbie or Allen by email.

Art told us that Allen would volunteer to do a SIG on Excel and Numbers, the Apple equivalent. He asked how many would be interested. We had five or six people that raised their hands.

Our guest speaker for April was Donna Bellina. She is the Social Media Director for the Division of Lifelong Learning at Yavapai College.

Donna did a presentation on iMovie. She showed us how to take home video clips and still pictures, and turn them into an interesting production piece for our friends and family. She turned us on to audiosparx.com, where we can find all kinds of music for our iMovies. Donna volunteered to do several SIGs on iMovie if there was an interest.

We had our refreshment break and Art conducted the Business Meeting.

The reports from Officers and Chairs were given.

The Ambassador, Roger Lakner didn't have anything new except the password to access the member roster had been changed.

The Newsletter Editor, Elaine Hardt, asked Art to show us how to subscribe to the RSS feed that would download the Newsletter into our Mail box automatically. Elaine brings handouts to every meeting. She reminded us that she posts copies of these handouts to the blog each month as well.

The Librarian, Randy Calvert, said we needed to update the software of Delicious Library. Roger will help him with that.

The Webmaster, John Carter, has installed a "For Sale" page under the Benefits tab on our website. Any current member is eligible to offer items for sale. The instructions on how to do that is found on that page.

We approved the minutes for March.

Next month Art will be talking about the application MobileMe.

The door prize for this month was an Internet Radio program called Radium Radio Player. Jim Hamm was able to obtain a free program for us to give away. Arlene Douglas was the winner.

We adjourned at 4:30 p.m.
