

Prescott Mac User Group
General Meeting Minutes
Prescott Public Library
January 21, 2012

The meeting was called to order at 10:00 a.m. Art Gorski presiding.

We had thirty-five members and six guests. The guests were Kathrine Eaton, Sharon Lampert, Alicia Tietye, Stephanie Dishal, Clayton Loudon and Catherina Volmer.

We approved the minutes for last month. David wasn't available for the Treasurer's report.

Bobbie discussed the changes she is making in the name tags. The new members will now have the same color tags as the rest of the membership with the addition of a smile face sticker to denote a new member. These stickers can be removed in time. She also wants to add to the name tags, the year one became a member. This is a good way to give recognition to a long standing member. She is changing the Board members tags to the color blue.

New business. We are still looking for a PR person for the club. Howard will work closely with this person to help support the effort. Randy Calvert has resigned as the Librarian for PMUG. We will be looking to replace him as well.

Our presenter for this month was Les Stukenberg. Les is the staff photographer for the Daily Courier. He joined the staff in November 2000.

Les has been a Mac user for many years. Les said his family have many Apple products as well. The Courier uses Mac extensively in their production of the paper.

Les demonstrated still photos as well as a video he put together for a feature in the Courier about the Granite Mountain Hotshots.

After our social break, John Carter demonstrated how to subscribe to the PMUG website RSS feed in addition to subscribing to Elaine's Blog in the Apple Mail program. We no longer can access our mail program at the Library. Bobbie asked John to change the password for the Roster access.

Roland Michaelis showed us a great screen saver download application called Moving Photos 3D.

Elaine had handouts that talked about the free widget iStat and where to find the new widgets in Dashboard. She also gave us information on where to find Password Protection.

Next month's meeting is February 11. Art will be presenting iCloud. Door prizes for the 4GB thumb drives with iCloud and TextExpander were won by Dave Rothgery and Randy Calvert. The \$10 Staples gift card was won by Bobbie Pastor.

The Treasurer's Report:

Treasurer's Report for January 2012

Cash in Accounts: December 08, 2011

Cash Flow

Share Savings (11/31)	(00)	\$ 112.95	+	0.00
