

General Meeting Minutes  
Yavapai College  
Building 4, Room 102  
September 10, 2016

The meeting was called to order at 10 a.m. with Sondra Bradshaw presiding. We had 28 people in attendance.

New members since August meeting were: Tom and Annette Callahan; Dan Leung, and John Acquavella. The guests were: Donna and Lucky Lovitt.

Sondra introduced our speaker for this month, John Carter, who talked about the application Facebook. John walked us through the fundamentals of Facebook.

Facebook is the largest online social networking site and currently has more than 1 billion users. Facebook allows people to interact, share photos and find people. In addition to using Facebook for social purposes, many people use it professionally for business networking. A link to John's presentation is [Here](#).

We took a break for Social Time. We introduced our new catering coffee and tea service from the cafeteria. We are charging \$3.00 for coffee and cookies and just \$2.00 for beverages.

We resumed the meeting with the Business Meeting portion. The Minutes from the August meeting was approved. David gave a brief summary of the Treasurer's Report. The full report will be found on next month's Minutes.

John announced that he will be relocating to Kingman at the end of December. This means he will no longer be a member of PMUG. John is currently the Web

Administrator, Facebook administrator and awards the Take Control door prizes. He will need a replacement person to take over these duties.

Ward Stanke made an announcement of a holiday coming up next Saturday called "Software Freedom Day". He said there is an organization called "Digital Freedom Foundation". What they do is promote free open source software and hardware. In recognition of this day, the organization has made a DVD with a selection of some of the best, yet free, software that's available for the Mac. The Apple Users Group has made this DVD available to the clubs. Ward has copies of this DVD and anyone wanting one can contact him.

Next month, Art will talk about the new Apple hardware announcements, iPhone 7 and Apple Watch, and an update on the latest version of Photos in Mac OS Sierra and iOS 10.

We ran out of time for the "Tips and Tricks" and Q & A sessions.

The door prizes were drawn. Jim Schutz and Lydia Garrett won the Take Control Books. Lucky Lovitt (guest) won the iTunes gift card and Ginger Carlson won the Staples gift card.

Meeting Adjourned at 12 noon.
