

General Meeting Minutes  
Yavapai College  
Building 4, Room 102  
October 8, 2016

The meeting was called to order at 10 a.m. with Sondra Bradshaw presiding. We had 24 people in attendance. Our guests were: Chas Partridge and Vickie Sutt.

New members since September's meeting were: Ellen Lignell.

Sondra introduced our speaker for this month. Art Gorski gave us a review of what Apple announced at its latest event. The most significant device was the iPhone 7. And the most significant change to the iPhone is the two lens camera and the wireless earbuds. Here is a link to his talk: <http://pmug.us/calendar/talk-2016-10/>

Art discussed the new features in Photos. Art has a couple of links to articles that talk about these features in depth. Just copy and paste the links to your browser.

John described the Take Control books offered in our drawing.

After break, Bobbie conducted the "Tips and Tricks" segment.

1. How to migrate Contacts info to a spread sheet.
2. How to use the Magnifier on the iPhone.
3. How to search inside web pages.

Business meeting commenced after "Tips and Tricks". The Minutes from last meeting were approved. David gave a summarized Treasurer's report.

Announcements were the Mac Brunch on October 26 at the Prescott Junction.

Next month's topic will be constructing a Weebly Web Page by Art Gorski.

We had our drawing for the door prizes. The two Take Control Books were won by Jim Schutz and Joy Newell. The Staples gift card was won by Harry Morel and the iTunes gift card was won by Vickie Sutt (visitor).
