PCS Coming Attractions

October 24 - Saturday - 1:00-3:00 PM - Zoom meeting opens at 12:30 PM General meeting - Leader: JS Barks

Featuring Bob Gostischa

In today's "Online World," Safety, Security and Privacy need to be taken seriously. This presentation will add in that mission. Using the right programs and apps can help keep you safe and secure as well as reduce your privacy exposure. Using free programs and apps whenever possible to accomplish this goal is an orked version and this presentation includes information on may recommended free programs. Join presentations does be simplified, clarifies, and demystifies your devices, (godget or technology), so you have a safe, secure and enjoyable internet to perfer ea.

November 7 - Saturday - 1:00-3:00 PM - Zoom meeting opens at 12:30 PM Digital Photo SiG - Leader: Phil Ball

Once again, our resident Digital Photography expert, Professor Phil Ball, will display manyelous photographic images while describing their origins and importance. In addition, Phil will also provide brief port-processing lessons. This is where you adit the images you have taken to create the final product.
