More information available about photos

# iOS 15

## **Hidden Features**

Change text size in specific apps

- Open Settings>Control Center and keep scrolling to find Text Size.
- Tap the green Plus (+) sign beside Text Size to add the function to Control Center.
- Slide the button at the bottom of the Text Size dialog to the left side of the toggle to tell your iPhone you only want the change to impact this app.
- You can then adjust text size using the slider.

# iOS 15

## Hidden Features
